

Compact In-Unit Hand Wash Station

Our **compact in-unit handwash sink** has a water-conserving "fan spray" nozzle and still has a generous amount of fresh water for a high number of washes per fill. The foot pedal is positioned so users can operate the unit easily and get a thorough washing with limited pumps.

- 10-gallon freshwater capacity
- Offer your customers fresh water hand washing
- Narrow design helps it stay out of users' way and conserves interior space
- Fits inside most standard portable restrooms currently on the market
